Kindly note that signing the vehicle condition report is an acceptance of the condition of the vehicle. THRSA must be notified within 24 hours, should the renter experience any glitches, problems, malfunctions or discomfort. No compensation or liability for lost time will be given, if issues are only reported on return of the vehicle.

2. Return

When returning the vehicle, please set aside 30 minutes for the vehicle to be checked. Although we request that the vehicle be returned with a full fuel tank, as a courtesy to the next renter our representatives will take the vehicle to our refuelling station to ensure that the vehicle is full. Should top-ups be required, the fuel amount will be deducted from the renter's nominated credit card. Vehicles must be returned clean, in order for the vehicle check in to be done. Vehicles returned dirty will be charged a cleaning fee of R/N\$1000,00/US\$72,00. Any vehicles returned later than the agreed return date, or outside of normal office hours (without prior arrangement), will be charged a full day's rental.

3. Licence

A valid EB or code 08 national or an ENGLISH international driver's licence for vehicles less than 3500kg, is required.

4. Minimum Age

The minimum age is 21 years and the maximum is 85 years.

5. eToll Policy

For all rentals despatched from, departing and/or returning to our Johannesburg depot will be charged a fee of R/N\$500 / US\$35 per rental agreement. This fee will be included in your quotation when applicable. eToll tags are installed in all our vehicles. These tags are debited with gantry levies in Gauteng, and also open gates on debit at toll gates on the major roads in South Africa that bear the eToll logo.

6. Liability Cover

THRSA includes the Super Cover. This cover is NOT a personal liability cover, but cover for damage to our vehicles and/or 3rd party property. Details below:

Super Cover:

A daily rate is included per day as per your quotation/rental agreement. This cover is a NO EXCESS cover and is applicable to the vehicle and third party property damage and includes the cost of replacing or repairing of windscreens, rims & tyres, radio theft and recovery costs. A security deposit of R/N\$3,000/US\$215 is pre-authorized on the renter's Visa or MasterCard credit card at the time of collection to ensure that the vehicle is returned to the agreed location, on the agreed date, in a clean condition and no items are lost or damaged. This security deposit is fully refunded within 21-30 working days, after date of return, should all the terms and conditions be adhered to.

7. Claims Handling Fee

A handling fee of R/N\$500.00 / US\$35.00 is charged on all damage/accident claims irrespective of the liability cover option taken.

8. Accidents

Single vehicle accidents are included in the liability cover options, except in the case of roll-overs. In case of damage to the vehicle rented, the following will apply:

The incident:

All accidents must be reported to THRSA, and by law, to the Local Police within 24 hours. An AR (accident report) number from the police must be obtained at the time of reporting the incident. This proves that the accident has been registered. Failing to report accidents may void all liability cover and the renter becomes fully liable for all costs. We advise that you take as many photographs of the accident scene and also obtain the third party details. These can be recorded on the reverse side of the rental pack envelope supplied to you on collection. We also suggest you take a photograph of the driver's licences of the persons involved. An accident report which is provided in the RENTAL PACK, must also be completed. These documents and records of evidence will be submitted to THR SA in order to process the incident.

The vehicle:

A replacement vehicle will only be dispatched once payment of all damages / recovery costs to the first vehicle is made, if applicable. THRSA reserves the right to withhold a replacement vehicle; this does not entitle the client to any claims against THRSA.

If the renter requires a replacement vehicle to be delivered, charges will be levied if applicable, according to the liability cover exclusions.

If the renter is not able to take a replacement vehicle, no refunds for early termination of the contract will be considered.

Should the renter continue with a replacement vehicle, this vehicle will be noted under the current rental contract and a new R/N\$3,000 / US\$215 pre-authorisation on the nominated credit card.

Should the applicable excess be charged, and should THRSA be successful in the reimbursement of that amount by the 3rd party, this amount will be refunded to the renter. This process could take up to three years.

Exceptions & Conditions:

Exclusions of the Super Cover:

The renter is fully liable for any damage to the THRSA vehicle or third party property if:

- ◆ Any terms of the rental contract is breached;
- ◆ Damages are sustained whilst the renter/driver is in violation of any traffic laws or ordinances;
- ◆ Damage to the vehicle is caused by careless, wilful or reckless driving. This includes:
 - Driving under the influence of alcohol or drugs
 - Driving on restricted or unrecognised roads
 - Driving before sunrise and after sunset
 - Driving over speed limits
 - Not adhering to the vehicle height restrictions;
- ◆ Related to water submersion or salt water damage:
 - A vehicle may not go through water higher than 30cm in depth;
- ◆ The vehicle was driven in a country in which written approval was not obtained from THRSA;
- ◆ Damage is incurred due to incorrect use of the hand brake;
- ◆ The damage is to the clutch (An allowance of up to three days after collection is given, in which time a faulty clutch can be reported. Thereafter, it is deemed as the renter's responsibility). The customer is then liable for:
 - The cost of the clutch kit which is R/N\$23,000 / US\$1650 including VAT and installation;
- ◆ Roll-overs are not covered in any liability cover options. A roll over is defined as a vehicle sustaining all types of damage due to it not being on all 4 wheels;
- ◆ The incorrect fuel is pumped into the fuel tank and/or fuel in the water tank will incur a R/N\$20,000 / US\$1430 cost. THRSA advises that should this occur, the vehicle is to remain turned off and not started under any circumstances. This reduces the damage caused;

The renter is responsible for any damages or accidents that THRSA has not been made aware of on the return of the vehicle. Please note the applicable charges will be charged to the nominated credit card.

THRSA is not responsible for any damage or theft to items of a personal nature. Travel and personal insurance is strongly recommended.

Rules in respect of replacement vehicles (whether due to an accident or vehicle damage):

- In the case of clutch or water damage the following is applicable:
 - ◆ The repairs and recovery (towing) costs of the vehicle is the responsibility of the renter. The following recovery / replacement rates will apply:
 - Within South Africa:
 - ZAR/N\$6,00/US\$0.45 per kilometre
 - Outside of South Africa:
 - ZAR/N\$12,00/US\$0.90 per kilometre
- Should a replacement vehicle be required, THRSA will replace the vehicle within 24 hours in South Africa and 48 hours outside the South African borders.
- A new pre-authorisation for the Super Cover deposit, will be blocked on the nominated Visa or MasterCard credit card for the replacement vehicle.

9. AIR-CONDITIONING

The air-conditioning supplied in the cabin of the vehicle, is designed to be used in South African weather conditions. In regions where the temperatures reach in excess of 30 degrees Celsius, or the humidity is higher than 60%, the unit may not work as effectively. This is normal and does not constitute grounds to request a replacement vehicle. Whenever the vehicle is stationary, or idling for prolonged periods, the cabin air-conditioner must be switched off to prevent damage.

10. DUST INGRESS

Namibia and Botswana are predominantly arid desert regions and the majority of secondary routes travelled, are on unsealed dust or gravel roads. It is not possible to make vehicles dust-proof and therefore refunds or claims for any dust ingress of any nature, will not be considered.

11. PAYMENT

THRSA does not accept CASH or CHEQUE as payment in any way.

Valid Visa/MasterCard credit cards, debit cards, EFT or bank transfer payments are accepted for rentals.

Pre-authorisation: THRSA only accepts valid Visa and MasterCard credit cards that are embossed, in order to place the pre-authorisation for liability cover / security deposits and excesses.

The holder of the credit cards needs to be present at vehicle collection in order for the transaction to be processed.

THRSA is not responsible for any currency fluctuations that may occur in any transactions.

FULL PAYMENT must be received 14 working days prior to date of collection, unless booked less than 14 days prior to collection. In this case, full payment on reservation is required.

12. EQUIPMENT (If requested)

Your Super Cover does not cover any equipment requested with the vehicle. Any loss or damage to the equipment including items such as GPS, compressors, baby seats etc. will be charged to your credit card. Should any of your equipment malfunction during the rental period, THRSA is not liable to provide a replacement. Repairs can be made according to clause 15 named Vehicle Repairs.

13. ROAD RESTRICTIONS

4x2 SUVs are only allowed to be driven on public bitumen/tar roads or gravel roads **4x4 SUVs and LDVs** are allowed to be driven on public bitumen/tar roads or gravel roads as well as on public recognized 4x4 tracks in Botswana, Mozambique (Up to Vilanculous only), Namibia, South Africa, Zambia (Livingstone only) and Zimbabwe (No further North than Harare). THRSA does not allow the vehicles to enter the following countries under any circumstances: Kenya, Angola, Malawi or Tanzania.

14. CROSS BORDER DOCUMENTATION

A cross border fee per vehicle per rental of R650.00 applies for cross border documentation into Botswana, Lesotho, Mozambique, Namibia, Zambia, Zimbabwe and Swaziland. The vehicle documentation is for the vehicle cross border requirements ONLY. THRSA are not liable for the arrangement or payment of visas, permits, third party insurances or road taxes applicable to the countries of entry. These are for the renter's account and can be arranged prior to travel or at the borders of the applicable countries. All cross border applications are to be accompanied by a clear copy of the renter's passport & driver's license to be received seven days prior to collection.

15. VEHICLE REPAIRS

It is possible that during your rental, small repairs may be required due to the nature of the terrain. Repairs of up to R/N\$1,000 / US\$72 may be affected without prior authorisation from THRSA and such repairs will be reimbursed, on the submission of a claim with original receipts attached. Amounts above R/N\$ 1,000.00 will require verbal/telephonic approval from THRSA on-road assistance. (numbers provided in your rental pack).

Should a call-out fee be charged by a supplier to replace a tyre, approval must be obtained from your collection branch. Should permission be granted by THRSA for an overnight stay in a lodge, due to repairs, a maximum allowance of R/N\$800 / US\$58 per night per vehicle is granted for a maximum of one night in South Africa, and two nights outside of South Africa.

Should a replacement vehicle be required due to a mechanical fault not due to negligence, THRSA will replace the vehicle within 24 hours in South Africa and 48 hrs outside of South Africa, at no extra cost to the renter.

16. KEYS

THRSA must be informed of keys lost or locked inside a vehicle. The replacement or recovery of keys is for the renter's account. THRSA cannot be held liable for any time/days lost and/or accommodation or any other costs incurred, due to the replacement or recovery of keys.

17. TYRES:

The renter is responsible for the repairing of flat or punctured tyres. The driver should not exceed the road traffic ordinance speed limits of 120km/h on tarred roads, and 80km/h on gravel/sealed or corrugated roads. For your safety, THRSA recommends a speed of 100km/h on tarred roads, and 60km/h on gravel/sealed or corrugated roads, and 40km/h in National Parks. Tyres get hot and pressures increase at higher speeds. Tyres are then susceptible to damage especially on uneven surfaces. When replacing a tyre, please ensure that it is of the same brand, size and ply rating as that of the damaged tyre. Reconditioned or re-treaded tyres are NOT acceptable. The renter is required to check the tyre pressure when the tyres are cold (i.e. not after travelling for more than 10km), at regular intervals. All tyres should be checked, including spares. The company's minimum tread requirement is 4mm which is within the South African Road Ordinance limits of 3mm.

18. TRACKING

All THRSA vehicles are fitted with SABS approved tracking devices. Tracking is monitored in all Southern Africa destinations as allowed by THRSA. THRSA reserves the right to repossess the rental vehicle at any time if it is found illegally parked, being used to violate the law or appears to be abandoned and if the renter is in breach of any terms or conditions of the rental agreement.

19. INFRINGEMENTS

The renter is liable for all fines and penalties in relation to the driver's use of the vehicle or the vehicle itself incurred during the rental period plus an administration fee of ZAR/N\$250 for each infringement or penalty notice that has been redirected by THRSA to the renter.

20. CANCELLATION / NO-SHOW PENALTIES

Fees in Percentage of total rental amount. Cancellation fees are levied on all reservations made up to 7 days before collection. *All no shows on reservations made within 3 days of collection, will not be penalised. Late collections and/or early returns do not qualify for rental refunds.
